Smart Meter Opt-Out Consent Form

The Town of Stowe Electric Department (SED) offers our customers a choice when it comes to having SmartMeters at their premise by offering an opt-out program.

Please note that if you choose to opt-out, SED personnel will install a non-AMI meter which will be read on a bi-monthly basis (with estimated reads on the off month). There will be no charge to a customer as result of electing to opt-out of having a smart meter installed.

Please complete the form below and submit it to: Stowe Electric Department, P.O. Box 190, Stowe, VT. 05672 or e-mail to stowe_electric@stoweelectric.com.

This form must be completed for each account electing to opt-out of SED's smart meter program.
