

STOWE ELECTRIC DEPARTMENT

STREET LIGHTING RATE 30

AVAILABILITY:

Within the service territory of the Stowe Electric Department for the purpose of utility, municipal and customer owned street lighting utilizing Metal Halide or Mercury Vapor fixtures.

TERMS:

Service will be provided to customer-owned Metal Halide or Mercury Vapor lighting fixtures installed on or before 01/31/2023 that are associated with a customer's meter. Any replacement of a light fixture subject to this tariff will be replaced with an LED fixture and take effect under SED Street Lighting Rate 31. Any maintenance, relocation, or replacement of street lighting fixtures under this Rate 30 that occurs on or after 02/01/2023 shall take effect under SED Street Lighting Rate 31 and with LED light fixtures.

The total monthly amount billed to the customer shall consist of a per-meter Customer charge as well as an Electricity Charge for metered usage billed at the applicable rate.

Multiple street lighting fixtures may be connected to a single meter without the customer incurring an additional Customer Charge for each fixture.

MONTHLY RATE:

Permitted Fixture Types	100, 175, 250, or 400 Watt MH
Customer Charge	\$30.81/Month
All kWh	\$0.2053/kWh

MINIMUM CHARGE:

The minimum charge shall be the customer charge or fraction thereof, unless a higher minimum applies as provided in these rules and regulations.

DURATION OF CONTRACT:

Subject to termination upon notice unless a longer term is applicable under the Stowe Electric Department's terms and conditions.

TERMS AND CONDITIONS:

The above rates are net, billed monthly, and due and payable upon presentation. Such other terms and conditions of the Stowe Electric Department, in effect from time to time, are a part of this rate.

LATE PAYMENT CHARGE:

A monthly penalty charge of 1% shall be assessed on delinquent balances. This charge shall continue on the unpaid balance until the account is brought to current.

EFFECTIVE:

Effective for electric bills issued on or after October 1, 2023.
