

STOWE ELECTRIC DEPARTMENT

STREET LIGHTING LED RATE 31

AVAILABILITY:

Within the service territory of the Stowe Electric Department for the purpose of municipal and public street lighting utilizing LED fixtures.

TERMS:

Service will be provided to utility-owned and customer-owned LED street lighting fixtures.

The monthly Customer Charge shall consist of a flat rate monthly fee for unmetered electricity and maintenance costs. Replacement bulbs shall be provided by the owner of the fixture; in the case of customer-owned fixtures the customer shall provide replacement bulbs to SED for installation.

All installation, maintenance, relocation, and replacement of street lighting fixtures shall be performed by SED during normal working hours.

Relocation of an existing street lighting fixture, installation of a new street lighting fixture, or conversion of an existing non-LED street lighting fixture to LED, including the costs of all poles, overhead or underground wiring, and all other such associated equipment, will be performed at the customer's expense. At a customer's request SED may agree to assume ownership of any installed street lighting fixture any time after installation is complete.
