LINE EXTENSION / LINE RELOCATION APPLICATION

I or we, _____, hereby apply for a line extension from the power lines of the Town of Stowe Electric Department (hereinafter referred to as "Stowe Electric"), where said lines run close to my premises. (Stowe Electric reserves the right to approve or disapprove any proposed line location.)

I understand that I am required to sign this agreement to pay the total cost of providing the service extension less the credit for the service drop as explained by Stowe Electric.

I understand that I will be required to pay up front a \$200 non-refundable application fee. This fee will be credited toward the actual costs upon completion or forfeited if I do not proceed with the line extension.

I understand that I will be required to pay actual costs of the following materials and labor to bring service to my facility. These costs will be billed upon completion of the line extension construction.
